

Welcome on board!

We want you to feel good on board the
MS Finlandia, so we have gathered some information
we believe might be useful for you!

CHECK-IN COUNTERS

You will find the counters with Eckerö Line logo in Helsinki Länsiterminali 2 (or Western Harbour T2), on the ground floor and in Tallinn A-Terminal, on the ground floor. Please present your passport/ID card and booking number or voucher to our check in clerk and you will receive boarding card. With boarding card you can enter the waiting area through the boarding gate one hour before the departure. The waiting area in Helsinki is on the same floor as the check-in, in Tallinn it is one floor up. The check-in closes 30 minutes before the departure so make sure you are in terminal in good time.

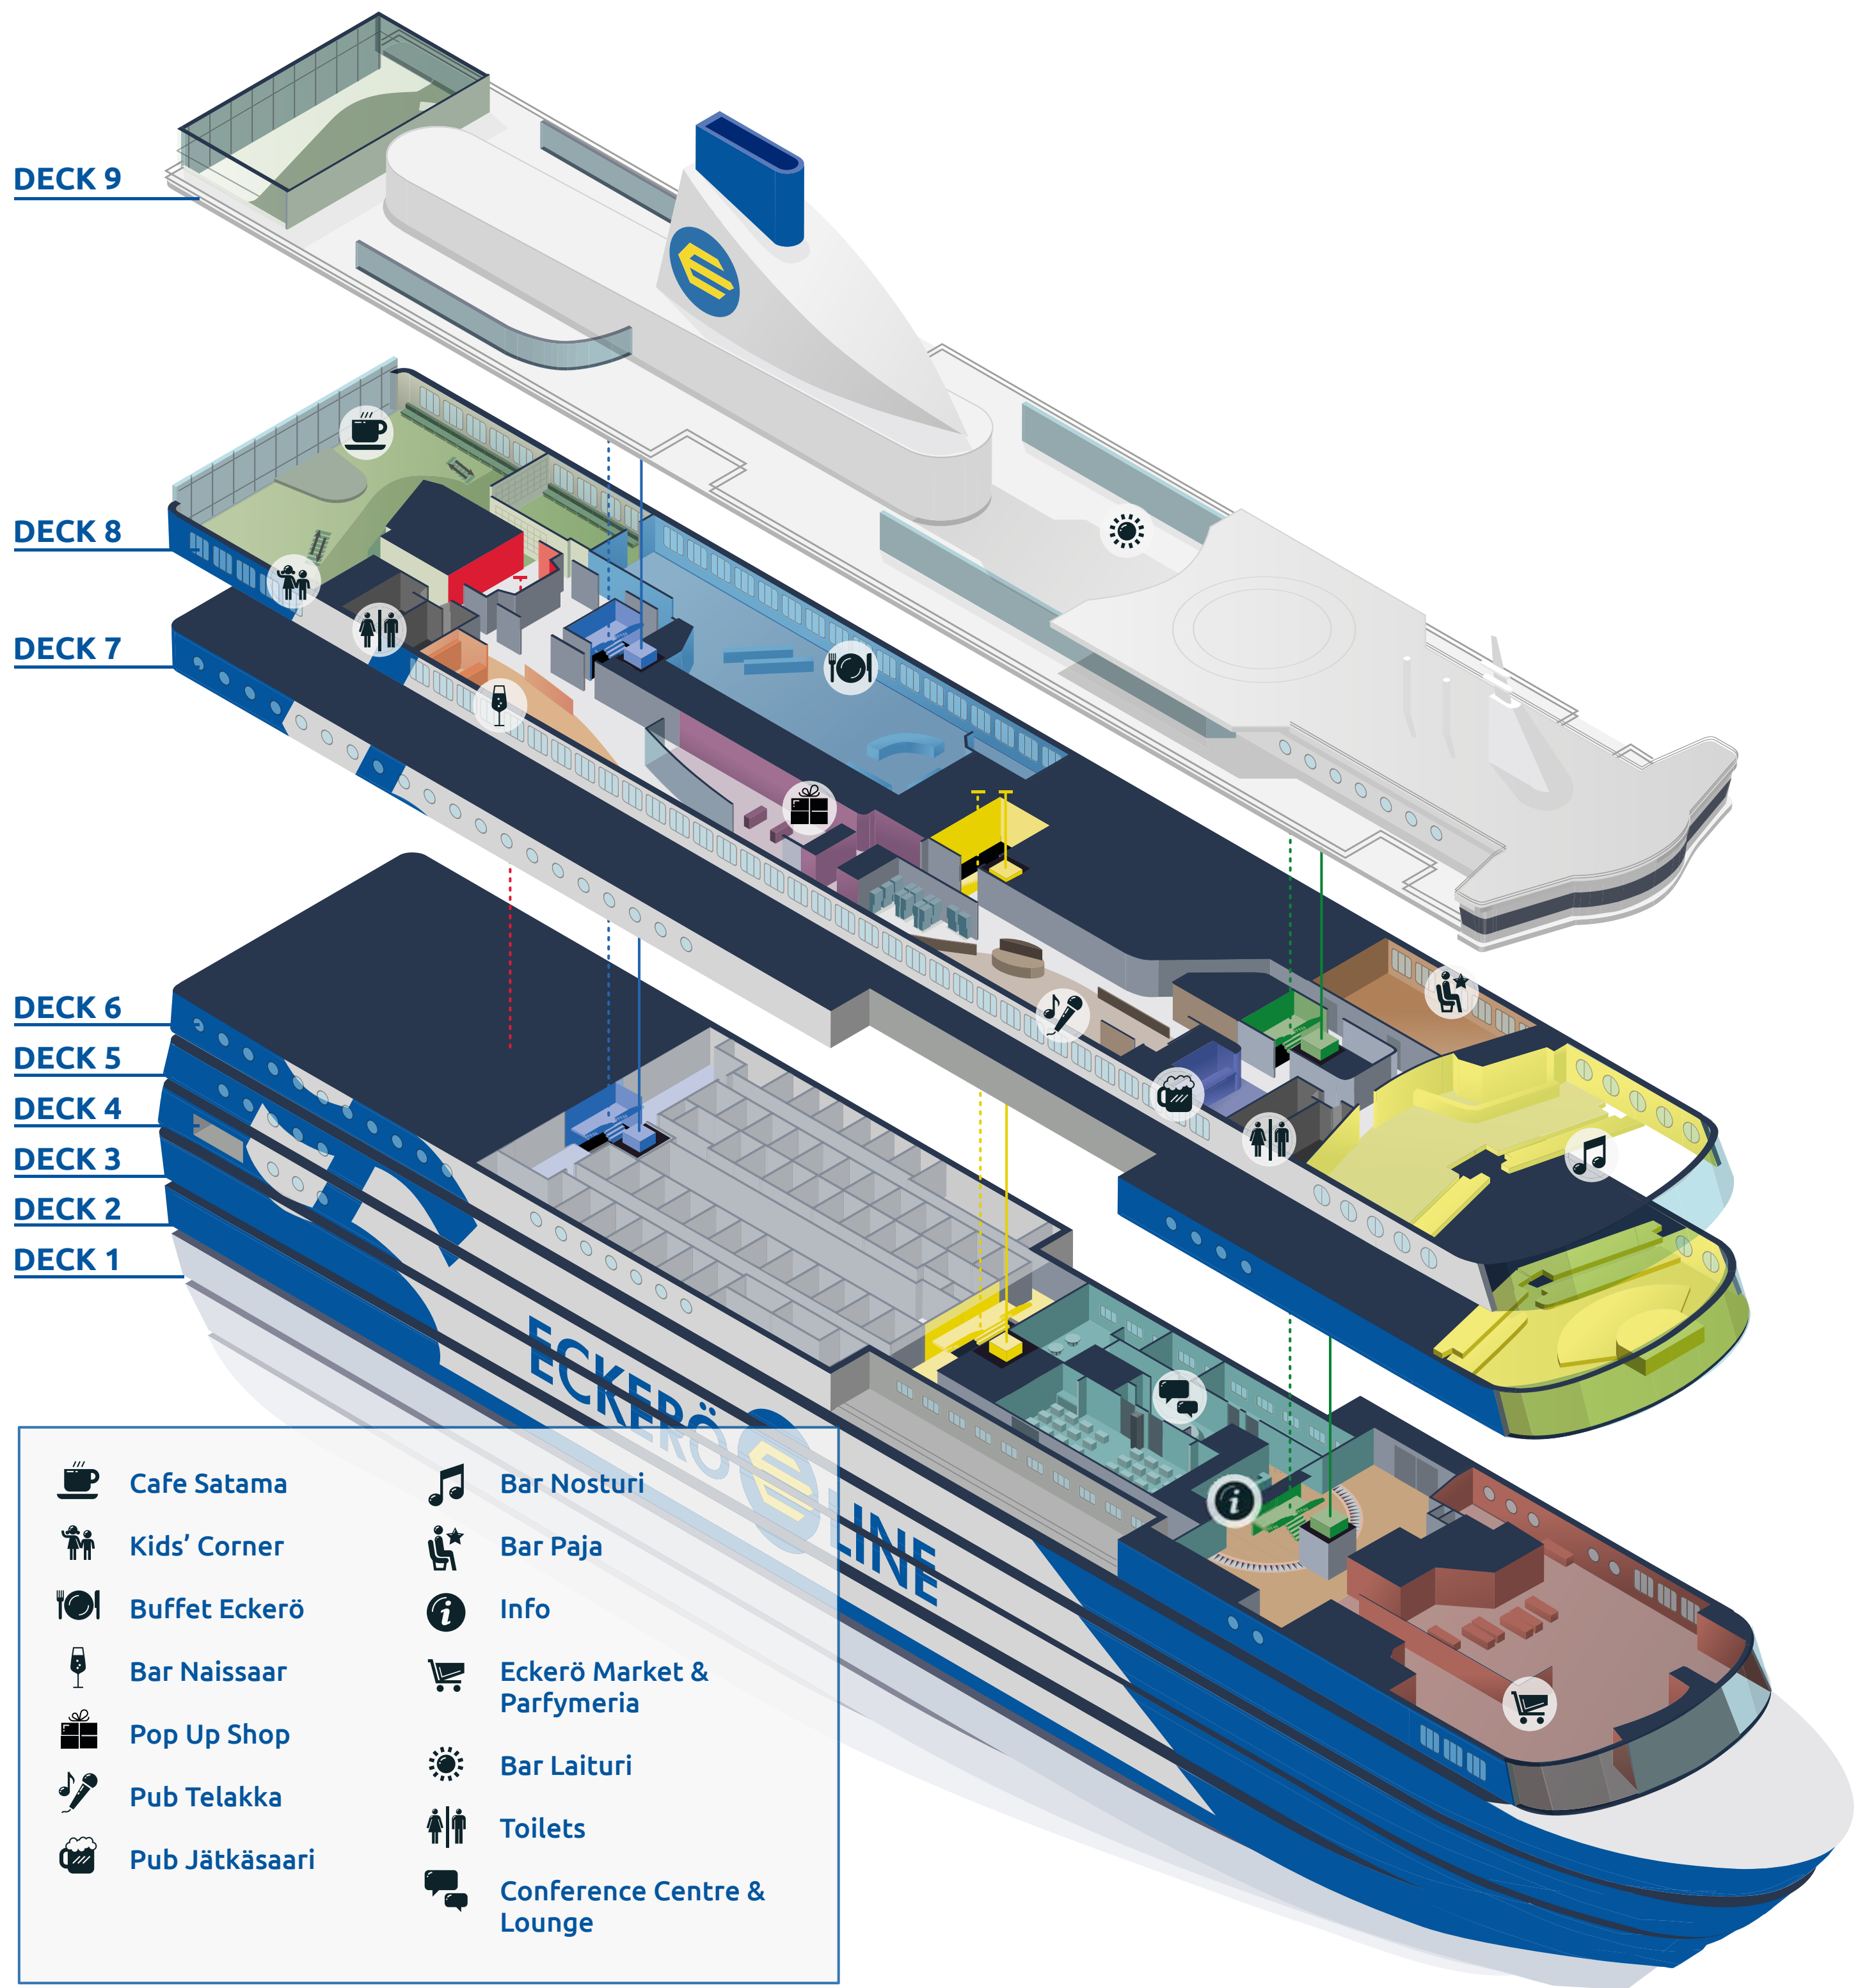

TO THE SHIP!

When the boarding to the ship begins, please move from the waiting area to the ship. You will enter to the deck 6. Welcome on board!

The walking distance from the terminal to the ship is short but it still takes some time, so don't be late! 😊
